Kelowna is a community of 150 Muslim families and similar number of international students. Current Masjid doesn't have a basement and barely can accommodate 70-80 people resulting in people praying outside. We have purchased a house adjacent to the Masjid, part of the land will be used to fulfill Masjid parking requirement while the house is already leased for rent from the date of possession.

Project Scope:

- Remove old 1100 sq ft building and replace it with a new 3000-3500 sq ft building with full basement

Financial Summary:

- **Total project Cost** **\$ 1,100,000.00**
- Total Spent to-date \$ 480,000.00
- Cash on hand \$ 260,000.00
- **Shortfall** **\$ 360,000.00**

Schedule Summary:

- Adjacent House Purchase May 05, 2015
- Pre-construction tasks Apr-Sept 2015
- Demolition Nov/Dec 2016
- Construction period Jan – Sep 2017
- Project Completion October 2017
